The Turner Syndrome Society of the United States (TSSUS) is a national non-profit 501(c)(3) (EIN 41-1596910) organization that provides health-related resources to patients, families, and physicians for the diagnosis and treatment of Turner syndrome. There are local support groups located throughout the country. Since 1987, TSSUS has held the TSSUS National Turner Syndrome Conference, inviting speakers from a variety of professions including medical experts, social workers, educators, and psychologists. These meetings provide an opportunity to exchange information on many topics of interest to individuals of all ages who are affected by Turner Syndrome.
